REGION 5 REDELEGATIONS MANUAL

Purpose. This transmittal provides a revision to the existing Region 5 Redelegation 8-10A (Civil Judicial Enforcement Actions, Including Collection Actions) for the Region 5 Redelegations Manual.

Explanation. EPA Delegation 8-10A authorizes the regional administrator to request the attorney general to appear and represent the agency in any civil enforcement action and to intervene in any civil enforcement action instituted under the Solid Waste Disposal Act, as amended, including an action to collect unpaid penalties; to give notice of any such suit to the appropriate state; and to request the attorney general to decline to prosecute a previously referred civil judicial action or cease prosecution of a previously filed civil enforcement action. In Region 5, these authorities have been redelegated to the regional counsel. The updated redelegation redelegates the authority to the director of the Land and Chemicals Division, with ORC advance concurrence required, and has otherwise been revised consistent with the Introduction to the Delegations Manual (rev. Feb. 2017).

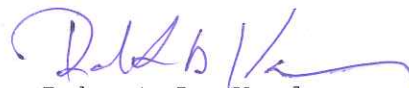

Filing Instructions. Post receipt of this transmittal on the checklist of EPA transmittals in the Region 5 Redelegation Manual.
